JOIN THE VIRTUAL LIBRARY

2025-2026 Author/Publisher Program

WHAT WE'RE DOING.

Move With Me Books hosts a Virtual Library on YouTube of movement-based story time designed to help children fully embody your story. The Move With Me Method is a research-backed approach that works to empower young learners to develop emotional literacy, body awareness, a strong sense of belonging - while deepening their connection to the story and it's moral.

BRING YOUR STORY TO LIFE IN THE MOVE WITH ME VIRTUAL LIBRARY

At Move With Me Books®, we take your work seriously – because we are authors and publishers ourselves. We believe in honoring your creative rights and ensuring your work is shared with integrity.
