SPONSOR STORIES THAT MOVE MINDS AND BODIES

WHAT WE'RE DOING.

Move With Me Books hosts a Virtual Library on YouTube of movement-based story time designed to help children fully embody your story. The Move With Me Method is a research-backed approach that works to empower young learners to develop emotional literacy, body awareness, a strong sense of belonging - while deepening their connection to the story and it's moral.

MISSION OVERVIEW

Our mission is to engage all readers, to embody stories through movement, mindfulness, and breath because every child deserves a multisensory experience that enhances literacy and memory.

- 1. Builds Emotional Literacy & Self-Regulation.** Through story, movement, and mindfulness, children learn to manage emotions, reduce anxiety, and build empathy—foundations for lifelong resilience.
- 2. Inclusive & Accessible for All.** Free, virtual, and globally accessible with YouTube subtitles in any language, our content supports neurodivergent learners and communities with limited SEL resources.
